Program Goals

The purpose of this educational conference is to provide the opportunity for those attending to enhance their knowledge, understanding and skills in the field of gastroenterology and related gastrointestinal surgeries. This enables nurses and associates to maintain a high standard of practice.

Although OSGNA makes every attempt to present sessions as described in this brochure, we reserve the right to substitutions of comparable faculty when necessary.

Join SGNA for full member benefits. Visit sgna.org for membership details and as well as information on other educational opportunities
